Guidelines to Request an Addition to the Teach NV Eligible School List

Review the following guidelines to request that a school be added to the eligible school list for those individuals who have received a Teach Nevada scholarship.

- A school district must initiate a request on official letterhead to add a school to the list.

- The request must include:
  - The name of the school(s) to be added to the list
  - The school year for which the school(s) should be added to the list
  - A rationale for including this school on the list.

- Email the request to Michelle Sposito, Education Programs Professional, at msposito@doe.nv.gov.
