Help every child find great books to read!

"Find a Book, Nevada" is a fun and easy way to select books based on a child's Lexile® measure and interests. You can use this free search tool to build custom lists for readers at all ability levels, and then locate your selections at the local public library.

1. Go to www.Lexile.com/fab/NV

2. Enter a child's Lexile measure

If you do not know the child's Lexile measure, you can search for books based on his or her comfort with grade-level materials.

3. Have the child pick interest categories

4. View and refine the search results

As you browse books, click the "Find in a Library" button next to the book titles to check its availability at your public library.

5. Add books to a child's reading list

You can print or email the child's custom book list.

Visit "Find a Book" and submit your Summer Reading Pledge!

Please note: A Lexile measure is a measure of text complexity only. It does not address the subject matter or text quality, age-appropriateness of the content or a reader's interests. The Lexile measure is one piece of information that you can use when selecting books.
