Career and Technical Secondary Endorsement Codes

NAC 391.134

A person who holds a career and technical education secondary endorsement may:

1. Provide instruction in the areas of career and technical education included in the specific programs stated in his endorsement; and
2. Teach an academic subject if it is:
 - a. Related to an area of career and technical education which his endorsement allows him to teach; and
 - b. Necessary to achieve success in the instruction of that area of career and technical education.

If a person has the following Career and Technical Secondary endorsements, he can teach the following assignments: Core assignments are in red
