Do you know of an outstanding teacher that deserves the recognition and nomination to become a Teacher of the Year for Nevada.

This is an exciting opportunity for a teacher to become part of a select group of teachers from every state who will be honored with a dinner in Washington D.C. These teachers will then be presented by the President of the United States in a White House ceremony. By becoming a State Teacher of the Year you are automatically entered into selection of the National Teacher of Year program. In addition to the trip to Washington D.C., there are gifts and a luncheon to honor the Nevada Teacher of the Year as well as the ability to attend several functions to represent all the teaches of Nevada.
