

# Nevada's 2017 Shining Stars Schools

---

## Overview

Shining Stars Schools have significantly outperformed the State in serving ALL kids, with an emphasis on closing the opportunity gap. These high poverty, high performing schools, set the bar for what we believe is possible for each Rising Stars School.

## Definitions

**Shining Stars School** – A Shining Stars School is a high-performing school serving a high percentage of students in poverty (at least 75% of students eligible for Free or Reduced Lunch, 50% for high schools). For Elementary and Middle schools, High-performing is defined as earning an index score that is expected to align with a 4 or 5-Star Rating on the Nevada School Performance Framework. For High Schools, High-performing is defined as earning an index score in the top 25% of all High Schools.
