

Goal 4: All students served by effective educators

Lead: Dena Durish

Definition of Success: Become the fastest improving state in the nation for student achievement.

Objective 8: Support educator capacity to engage parents and families

Objective Lead: Alberto Quintero

Definition of Objective Success:

- Annual increase in the number of teachers performing at a level 3 or above in the NEPF Professional Responsibility Standard 4 as evidenced by NEPF data collection
- All Rising Stars schools utilize evidenced based strategies that support each of the six standards on the Nevada Policy on Parental Involvement and Family Engagement
- All school districts utilize effective strategies that support each of the six standards on the Nevada Policy on Parental Involvement and Family Engagement as evidenced by Annual Parental Involvement and Family Engagement (PIFE) District Reports

Objective Strategy 1: Analyze Data and Provide Feedback (above measures)

Major Strategy 1 Activities:

- Collect Teacher Data (NEPF)
- Collect School Data (SPP)
- Collect District Data (Annual PIFE Report)

Objective Strategy 2: Support Best Practice

Major Strategy 2 Activities:

- Work with RPDP and school districts to determine what professional development exists
- Update PIFE website to house organized resources to support best practices
- Biennial Family Engagement Summit
- Promising Practices Booklet*
- Provide districts grant information

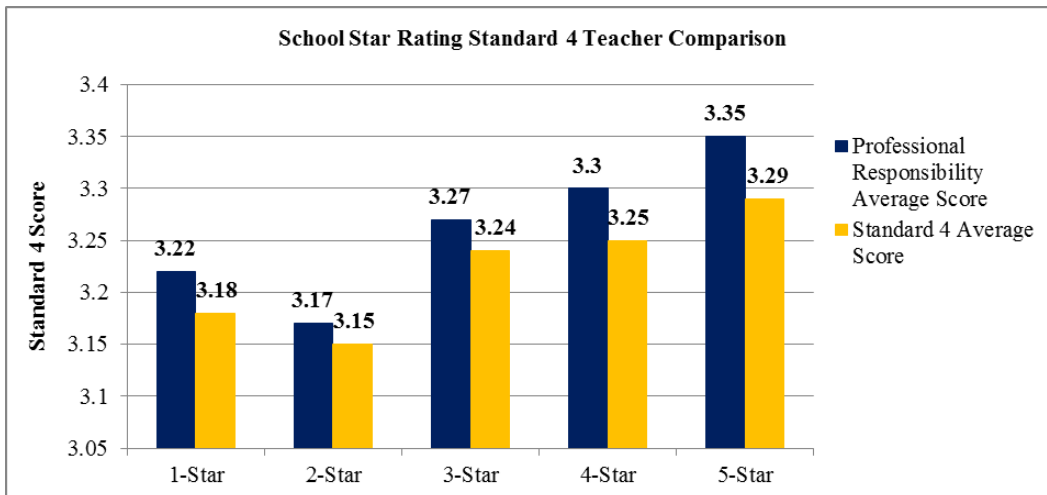

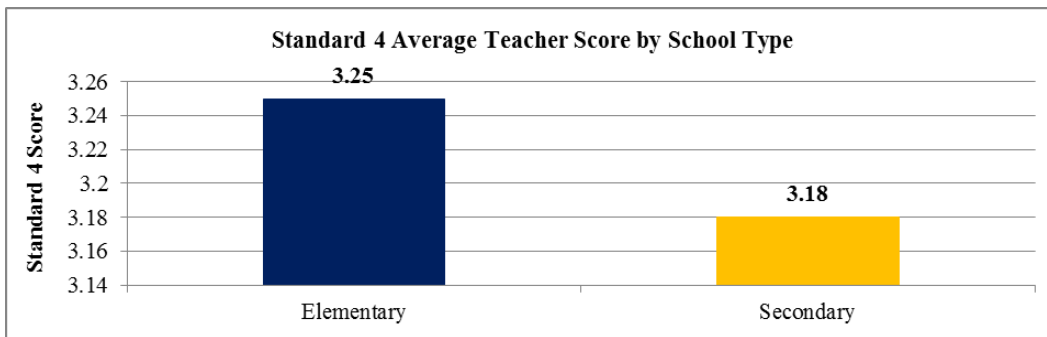

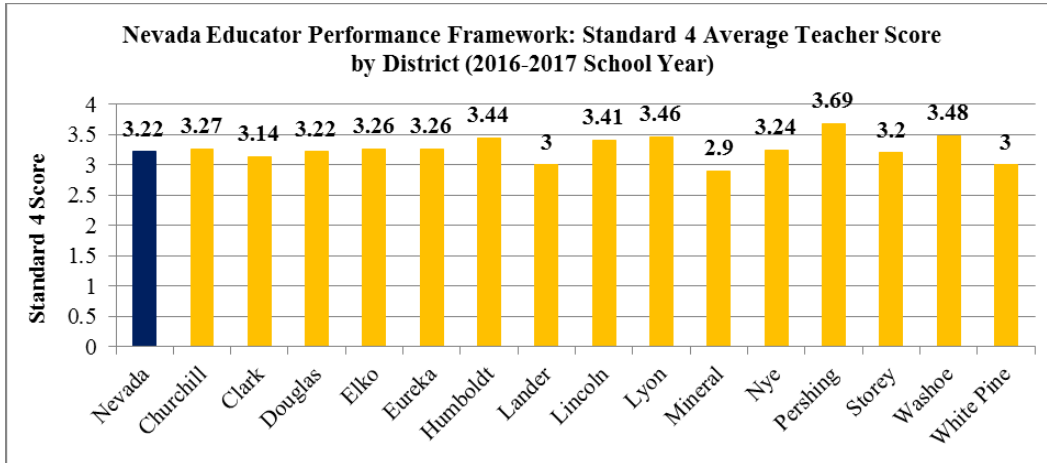

Objective Strategy 3: Build Educator Capacity

Major Strategy 3 Activities:

- Evaluate the effectiveness of PIFE requirement for newly licensed educators
- Determine the feasibility of expanding the PIFE requirement for renewals

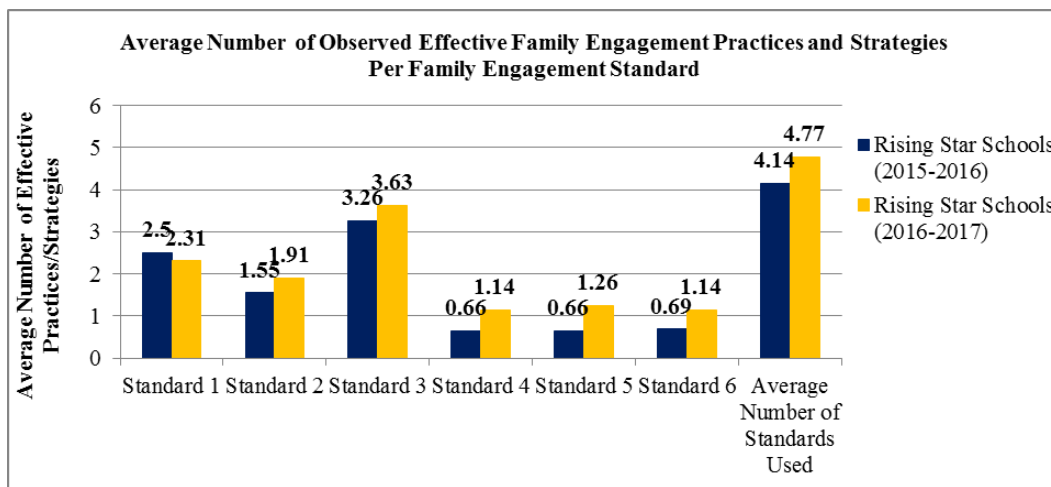

Definition of Objective Success

1. Annual increase in the number of teachers performing at a level 3 or above in the NEPF Professional Responsibility Standard 4 as evidenced by NEPF data collection

2. All Rising Stars schools utilize evidenced based strategies that support each of the six standards on the Nevada Policy on Parental Involvement and Family Engagement

Total Number of Standards Observed	Rising Star Schools (2015-2016)	Rising Star Schools (2015-2016)	Rising Star Schools (2016-2017)	Rising Star Schools (2016-2017)
1	0	0%	3	3.80%
2	4	9.50%	2	2.60%
3	9	21.43%	7	9.00%
4	11	26.19%	19	24.40%
5	13	30.95%	14	17.90%
6	5	11.90%	33	42.30%
Total	42	100%	78	100%

3. All school districts utilize effective strategies that support each of the six standards on the Nevada Policy on Parental Involvement and Family Engagement as evidenced by Annual Parental Involvement and Family Engagement (PIFE) District Reports
