

Nevada Ready 21 Grantee Survey

To garner information for the Nevada Commission on Educational Technology on ways to further invest in the first cohort of Nevada Ready 21 schools, please complete the survey below. Please respond by 8:00 AM on Tuesday, March 8. Thank you!

1. Please provide your information.

Name

District

Email Address

Phone Number

2. Is there a funding need in your district or charter school to support NR21 coaches?

Yes

No

3. If yes, what amount did you budget for the salary, benefits, etc. to fully cover the district or charter school expense of this position? If your district/school did not budget for this, what amount of funding do you need to fully cover the cost of a coach?

4. If you represent a district, how many schools in your district were funded for NR21?

Nevada Ready 21 Grantee Survey

5. Is there a funding need in your district or charter school to support extra-duty pay for teachers to participate in NR21 professional development activities?

Yes

No

6. If yes, please indicate your district's extra-duty hourly rate.

7. If yes, please indicate the number of extra-duty hours you expect teachers to participate in NR21 activities over the biennium.

8. If yes, please indicate the number of teachers in your district or charter school that you expect to participate in NR21 extra-duty activities.

Nevada Ready 21 Grantee Survey

9. What other expenses, if any, does your district or charter school intend to cover for the Nevada Ready 21 program? Please include a description of the expense, the amount needed for each item, and the number of items needed so the full nature of the expense is defined.

10. Please describe other ways, if any, that additional funding could enhance the success of NR21 in your district or charter school.
