

ESSA School improvement Work Group Meeting #3

October 21, 2016

3:00-5:00pm

Purpose:

- The purpose of the School Improvement Work Group is to make recommendations to the Advisory Group on strategies related to school improvement that align to the State's priorities and that leverage the Every Student Succeeds Act (ESSA).

Essential Question:

What does a sustainable statewide school improvement system look like?

Objectives:

- 1) Understand the requirements of ESSA relating to school improvement and how we can use these requirements to empower our state goals.
- 2) Develop a vision for a statewide school improvement and support system.
- 3) Develop a process for support with districts in implementing evidence-based interventions for underperforming school.
- 4) Develop a process to build local capacity to sustain the improvements.
