SMALL BUSINESS IMPACT STATEMENT PURSUANT TO NRS 233B.0608

DATE: March 28, 2018

RE: Public Hearing to Adopt Standards for Computer Science scheduled for June 7, 2018.

I, Steve Canavero, being the duly appointed Superintendent of Public Instruction of the Nevada Department of Education, do hereby certify that, to the best of my knowledge or belief:

1. The proposed Computer Science Standards are not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation or expansion of a small business.
2. A concerted effort was made to determine any economic burden.
3. All relevant materials were reviewed and the Department considered its history with implementing similar standards; the proposed standards are within the historic scope of the Department's activities and present no significant cost of enforcement.
4. Comment has not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by this regulation and thus no burden or economic impact can be assessed.

I hereby further certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the regulation on small businesses and that information contained in this statement was prepared properly and is accurate.

Respectfully submitted,

A handwritten signature in blue ink that reads "Steve Canavero".
