

Nevada Educator Performance Framework (NEPF)

Teachers and Leaders Council recommendation of regulatory language to provide additional business rules on the NEPF Protocols and the development and implementation of Student Learning Goals.

State Board of Education Meeting

March 15, 2018

Agenda Item #11

NEPF Business Rules for Consideration

- All evaluators must verify annually at the beginning of each school year that all educators for whom they provide supervision have received or have been provided access to the following:
 - Current NEPF Protocols document
 - Complete set of role-specific Rubrics (teacher, school administrator, teacher-librarian, school counselor etc.)
 - NEPF Tools (Self-Assessment, Pre/Post Observation Conference, Goal Setting and Planning ,Educator Assistance Plan, Observation/Evidence Review , and the Summative Evaluation Rating Tool)

Additional NEPF Business Rules for Consideration

When developing and measuring a Student Learning Goal Evaluators shall:

- collaborate with educators throughout the entire process
- consider the characteristics and attributes of students in their respective classrooms/schools
- use the NEPF Protocols and the criteria embedded within the Goal Setting and Planning Tool
- identify and define the following: student population, standard(s) and content, assessments to measure student performance, performance targets and rationale
- discuss progress toward SLG and revise as necessary
