SMALL BUSINESS IMPACT STATEMENT
PURSUANT TO NRS 233b.0608

Date: February 9, 2017

Re: Proposed new regulations regarding the reorganization of the Clark County School district

I, Steve Canavero, Superintendent of Public Instruction, do hereby certify that, to the best of my knowledge or belief:

1. The proposed changes to regulations to reorganize Clark County School District and are Not likely to impose or direct significant economic burden upon a small business.
2. A concerted effort was made to determine any economic burden. The Department of Education has relied on the expert knowledge of Department staff; the impact is solely on the Clark County School District.
3. All relevant materials were reviewed and the Department considered its history with implementing similar regulations; the proposed changes are within the historic scope of the Department's activities and present to no new cost of enforcement.
4. Comment has not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by this regulation and thus no burden or economic impact can be assessed.

I hereby further certify, that to the best of my knowledge or belief, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement was prepared properly and is accurate

Respectfully submitted,
