## SMALL BUSINESS IMPACT STATEMENT PURSUANT TO NRS 233B.0608

Date: July 10, 2017

Re: Public Workshop to Solicit Public Comments Regarding Regulations concerning amendments to Gifted and Talented educational programs on July 31, 2017

I, Steve Canavero, Superintendent of Public Instruction hereby certify that, to the best of my knowledge or belief:

1. The proposed amended regulations are not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation or expansion of a small business
2. The proposed amended regulations add specific service expectations for students identified as Gifted and Talented. A concerted effort was made to determine any economic burden. The Department of Education has relied upon the expert knowledge of Department staff. The impact is solely on the schools.
3. All relevant materials were reviewed and the Department considered its history with implementing similar regulations; the proposed changes are within the historic scope of the Department's activities and present no significant cost of enforcement.
4. Comment has not been solicited from small businesses, and no summary of their response is provided because small businesses are not impacted by this regulation and thus no burden or economic impact can be assessed. Any impact is positive and was considered during legislative testimony.

I hereby further certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement was prepared properly and is accurate.

Respectfully submitted,

A handwritten signature in blue ink that reads "Steve Canavero". The signature is fluid and cursive, with the first name "Steve" and last name "Canavero" clearly legible.

STEVE CANAVERO, Ph.D.  
Superintendent of Public Instruction

## Gifted and Talented Funding

1. The legislative intent, as evidenced by SB 544 and related closing documents clearly identifies that service duration and type are factors in per-pupil funding for Gifted and Talented Programs.

- a. Service duration 150 minutes each week
- b. Service delivered by a GT endorsed teacher
