**SMALL BUSINESS IMPACT
STATEMENT PURSUANT TO NRS
233B.0608**

DATE: July 7, 2017

RE: Public Hearing on Proposed Amendments to NAC Chapters 386 and 387
Concerning Charter Schools Scheduled for July 31, 2017.

I, Steve Canavero, being the duly appointed Superintendent of Public Instruction of the Nevada Department of Education, do hereby certify, to the best of my knowledge or belief:

1. The proposed regulation amendments and additions to be added to the NAC Chapters 367 and 387 concerning charter schools are not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation or expansion of a small business. The proposed regulation amendments and additions make necessary changes to charter school regulations per SB 5098, SB460 and the authority to the Nevada Department of Education in NRS 386.540.
2. A concerted effort was made to determine any economic burden.
3. All relevant materials were reviewed and the Department considered its history with implementing similar regulations; the proposed changes are within the scope of the Department's activities and present no significant cost of enforcement.
4. Comment has not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by this regulation and thus no burden or economic impact can be assessed.
5. The Proposed regulation will have no direct or indirect effects.

I hereby further certify that, to the best of my knowledge or believe, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement was prepared properly and is accurate.

Respectfully submitted,

A handwritten signature in blue ink that reads "Steve Canavero".
