PURSUANT TO NRS 233B.0608**

Date: October 9, 2017

Re: Proposed revision to the adopted but not codified language in NAC Chapter 391.XXX and NAC 391.571, 391.574, and 391.578 relating to the statewide performance evaluation system for school-level administrators and teachers; including, but not limited to, prescribing requirements relating to peer evaluations of teachers and revision of Department prescribed data used to measure performance.

I, Dena Durish, Deputy Superintendent of Educator Effectiveness and Family Engagement, do hereby certify that, to the best of my knowledge or belief:

1. The proposed permanent regulation revisions to NAC 391 are not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation or expansion of a small business. The proposed regulation revisions deal only with statewide performance evaluation system recommended by the Teachers and Leaders Council pursuant to NRS 391.460 and NRS 391.465 A concerted effort was made to determine any economic burden.
2. All relevant materials were reviewed and the Department considered its history with implementing similar regulations; the proposed changes are within the historic scope of the Department's activities and present no new cost of enforcement.
3. Comment has not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by this regulation and thus no burden or economic impact can be assessed.

I hereby further certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement was prepared properly and is accurate.

Respectfully submitted,
