**SMALL BUSINESS IMPACT STATEMENT  
PURSUANT TO NRS 233B.0608**

Date: October 5, 2017

Re: **Proposed New Regulations for NAC 391.XXX; New and Transfer Teacher Incentives pursuant to Assembly Bill 434 passed during the 2017 79<sup>th</sup> Legislative Session.**

I, Steve Canavero, being the duly appointed Superintendent of Public Instruction, do hereby certify that, to the best of my knowledge or belief:

1. The proposed permanent regulations to be added to NAC Chapter 391 are not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation or expansion of a small business. The proposed new regulations are related to implementation of funds for new teachers hired at Title I or underperforming schools, and/or for teachers not currently employed at such schools, but willing to transfer.
2. A concerted effort was made to determine any economic burden, and the Department of Education has relied upon the expert knowledge of Department staff.
3. All relevant materials were reviewed and the Department considered its history with implementing similar regulations. The proposed new regulations are within the historic cope of the Department's activities and present no significant cost of enforcement.
4. Comments have not been solicited from small businesses, and no summary of their response is provided because small businesses will not be impacted by the regulation, thus no burden or economic impact can be assessed.

I hereby further certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement was prepared properly and is accurate.

Respectfully submitted,

A handwritten signature in blue ink that reads "Steve Canavero".
