

## State Board of Education April 6 Public Workshop – Agenda Item 5

Workshop to Solicit Comments on Proposed Amendments/additions to NAC Chapter 391.xxx relating to the statewide performance evaluation system for school-level administrators and teachers; including but not limited to, prescribing requirements relating to the Nevada Educator Performance Framework Protocols and Student Learning Goals

### **Proposed Language:**

All evaluators must verify annually at the beginning of each school year that all educators for whom they provide supervision have received or have been provided access to the following:

- current NEPF Protocols document
- a complete set of role-specific Rubrics (teacher, school administrator, teacher-librarian, school counselor etc.)
- NEPF Tools (Self-Assessment, Pre/Post Observation Conference, Goal Setting and Planning, Educator Assistance Plan, Observation/Evidence Review, and the Summative Evaluation Rating Tool)

When developing and measuring a Student Learning Goal Evaluators shall:

- collaborate with educators throughout the entire process
- consider the characteristics and attributes of students in their respective classrooms/schools
- use the NEPF Protocols and the criteria embedded within the Goal Setting and Planning Tool to identify and define the following:
  - student population
  - standard(s) and content
  - assessments to measure student performance
  - performance targets and rationale discuss progress toward SLG and revise as necessary
