SMALL BUSINESS IMPACT STATEMENT
PURSUANT TO NRS 233B.0608

DATE: February 7, 2018

RE: Public Hearing and possible adoption on regulations concerning amendments to NAC Chapter 389 and 387

I, Steve Canavero, being the duly appointed Superintendent of Public Instruction of the Nevada Department of Education, do hereby certify, to the best of my knowledge or belief:

1. The proposed new and revised regulations to be added to NAC Chapter 389 concerning work-based learning are not likely to (a) impose a direct or significant economic burden upon a small business or (b) directly restrict the formation, operation or expansion of a small business. The proposed regulations provide definitions and policies related to work-based learning.
2. A concerted effort was made to determine any economic burden. The Department of Education has relied upon the expert knowledge of Department staff. The impact is solely on the schools.
3. All relevant materials were reviewed and the Department considered its history with implementing similar regulations; the proposed changes are within the scope of the Department's activities and present no significant cost of enforcement.
4. Comment has not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by this regulation and thus no burden or economic impact can be assessed.

I hereby further certify that, to the best of my knowledge or believe, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement was prepared properly and is accurate.

Respectfully submitted,

A handwritten signature in blue ink that reads "Steve Canavero".
