SUBJECT: Public Comment on Perkins V State Determined Performance Levels for
Secondary Performance Indicators

Under section 113 of the *Strengthening Career and Technical Education for the 21st Century Act* (Perkins V), the Nevada Department of Education is instructed to collaborate with educational stakeholders and members of the public to set State Determined Performance Levels (SDPLs) for the required secondary Performance Indicators. This process was originally carried out via meetings of the CTE Accountability and Performance Indicators workgroup, which met in the Spring and Summer of 2019, and the results of their work were approved by the Perkins V Governance Board and included in Nevada's State Plan. The State Plan was posted for public comment, approved by the State Board of Education, and provided for review to the office of Governor Sisolak.

Due to new data being provided after the 2018-19 school year, a Secondary SDPL Workgroup met on April 3rd, 2020 to discuss revisions to those SDPLs. The results of those discussions were new SDPLs for FY 2022/23. These revisions can be found in the table below:
