

Nevada Charter Schools Program (NCSP)

Planning/Implementation Subgrant Awardees

(Amounts rounded to nearest dollar)

For Planning/Implementation subgrants, a charter approval and contract can be pending at the time of application; however, if an applicant receives initial approval for a NCSP subgrant and is unable to provide a fully-executed charter contract within 6 months of the initial award notification, the initial award offer will be rescinded, and the applicant will be eligible to reapply in a future subgrant cycle. Subgrants under this program cannot be officially awarded until a fully-executed charter contract is in place between the charter school and their sponsoring authority.
