Announcement regarding cancellation of 13th Annual American Indian/Alaska Native Education Summit

Due to concerns regarding the Coronavirus (COVID-19) pandemic, it is with great regret that we have decided to cancel the Annual American Indian/Alaska Native Education Summit, (Voices From Our Future) scheduled for March 16-17, 2020 in Reno, Nevada. This action has been taken due to the impending cancellation of many of our presenters and conference registrants, as well as concern for everyone's health and safety. We are very disappointed that we have had to cancel this wonderful professional development and networking opportunity. We hope that we can reconnect for this important event in the future.

If you have any questions, please contact Fredina Drye Romero at fromero@doe.nv.gov.

Stay Healthy and Safe
