IEP Facilitation # _________________

Instructions:
1. This model form may be used by parents and a school district representative to request IEP Facilitation. (You may also submit a written request for IEP Facilitation in another manner.) An IEP Facilitator will only be appointed if both the parents and the school district request IEP Facilitation. Facilitation should be requested at least two weeks prior to an IEP meeting.
2. Fill out the information that pertains to you and sign the form. If the parents and the school district fill out this form at the same time, it is the responsibility of the school district to forward the form to the Nevada Department of Education. If this form is not filled out together, send it to the other party to be signed for a joint request or submit it directly to the IEP Facilitation Coordinator at the Nevada Department of Education, Office of Special Education. (If the request is not a joint request, the agreement of the other party to IEP Facilitation will be verified before the appointment of a Facilitator.)
3. The IEP Facilitation Coordinator will review this form and confirm the request is complete; the matter in dispute is regarding IEP meetings under the IDEA, Part B; and is requested by both parties. If so, the IEP Facilitation Coordinator will assign an IEP Facilitator.
4. The IEP Facilitator will contact you regarding the IEP Facilitation session and to confirm the details of the upcoming IEP meeting.
5. For questions or additional information, contact the IEP Facilitation Coordinator at the contact information below.
