

## CS-CIM REVIEW PROCESS

### Steps in CS-CIM Review Process

1

#### RFI to Vendors

Submission period opens December 1, 2019 and closes January 6, 2020

2

#### NDE Technical Review

This step will take approximately 1-2 weeks from closing submission period

3

#### CS-CIRRC Review

This step will take approximately 30-days from the NDE Technical Review

4

#### Recommendations

A list of CS-CIMs that pass the review process will be provided to NDE for presentation to the SBE at next meeting

5

#### Publication

Upon approval of State Board, final list will be published on NDE's CS page for districts to access

RFI = Request for Information

NDE = Nevada Department of Education

CS-CIRRC = Computer Science Curriculum and Instructional Resources Review Committee

SBE = State Board of Education
